JUNE SPOTLIGHT: BIRCH HOME

We are starting a new feature in our newsletter! Each month, we will **SPOTLIGHT** a different home or department on our campus. This month our spotlight is on the **BIRCH HOME**.

The Birch Home is for our advanced care residents. There are currently 11 residents in the home. Jenn, the Birch Resident Coordinator, says "the reason I love working in this home is because the house is full of people with different personalities and interests. There is singing, dancing, coloring, and busy, active residents!"

The newest residents of the Birch Home are our tropical fish. Last month, a fish tank was added to the home, with 17 brightly colored tropical fish. Jenn says the residents, especially the ladies, love to watch the fish.

Laura, Birch direct care staff, has worked there for two and a half years and loves that every day is different, and she never knows what the day is going to bring. Lisa, another direct care staff member, agrees, saying "there is never a dull moment!"

EMPLOYEE SPOTLIGHT

Alexis @ Cascade Home

We are pleased to announce that Alexis is our June, 2016 Employee of the Month!

Alexis was born in Port Angeles, Washington and grew up in the Pacific Northwest as the oldest child with two brothers and two sisters. She is married with a two-year-old son.

Alexis has been a part of the EHL community since December, 2014. She works as a Resident Coordinator in the Cascade Home. When asked why she likes working at EHL, Alexis replied, "Because I like knowing I'm making a difference in our residents' lives". She also states that this was her first caregiving job, and "it's something I never thought I could do but I'm very happy I made the decision to try it out, because I LOVE it!"

Words of Wisdom:

"Be a pineapple: Stand tall, wear a crown, and be sweet on the inside!"

Thank you, Alexis, for your hard work, your dedication, and for being a part of our EHL team!
