From the Family of Jim Jones

The family of James "Jim" Jones wants to extend our heartfelt gratitude for the Mt. Hood caregivers' compassion, thoughtfulness, professionalism, and love. Over the course of 3.5 years, the ladies who cared for Jim showed him the utmost respect, preserving his dignity and "loving him right where he was." Despite their challenging job, Margie and her staff perform their numerous duties, such as meal preparation, feeding, administering medications, cleaning, laundry, hygiene help, and protection, with patience and skill. Not only did the staff love Jim, but they also extended that love and respect to us, his family. They went above and beyond, and we wholeheartedly appreciate them for all they've done. God bless each and every one of them!

-With sincere thanks, *The Family of Jim Jones*

Hair Salon Update

We are so happy to let you know that we once again have a regular hair stylist for our residents - **Kylee Wullbrandt**. Kylee is an experienced hair stylist who has done hair at other residential memory care communities, as well as having caregiving experience. The salon days are now Tuesday, Wednesday, and Thursday and we offer basic services such as hair washing, cutting, set & styles, grooming, and trimming of facial hair.

Please note that due to Oregon Health Licensing regulations for Long Term Care & Residential facilities, we are no longer able to offer certain salon services which we have provided in the past. The EHL salon can no longer offer permanent waving (perms) or hair coloring.

If your loved one would like to have these services, we ask that it be arranged through a salon outside of the facility. If you need help arranging these, please let us know.
