EXCITING NEWS! Campus Update

ElderHealth & Living is proud of its history of offering promotional opportunities to our staff whenever possible. With that being said, we are excited and happy to announce some promotions here at EHL!

Amee Hughey, who has been with ElderHealth & Living since 2006, has stepped into the position of Administrator. Amee has extensive experience at EHL: initially as Direct Care Staff, then Shift Supervisor, followed by Resident Coordinator, then Quality Assurance Coordinator and most recently, Resident Coordinator Trainer! She also has extensive leadership training and has completed the Administrator formal training. In addition to her knowledge and experience, Amee brings amazing organizational skills, compassion and creativity to the role of Administrator. Please welcome Amee to her new position and new office - she is now located in the Columbia Building (main office).

Amee Hughey

Riley Campbell joined our EHL family in 2015 as an Administrative Assistant, swiftly transitioned to our Accounting Assistant and has now taken on the new position of Family Services Assistant. Riley now works directly with our Family Services Coordinator, Susie Ray. She has moved from the front office to the Health Center and will continue to do some accounting tasks, including our resident billing. However, her primary responsibility will be to help families and residents with their transition into EHL and during their stay here!

EMPLOYEE SPOTLIGHT

Chelsea was born in Springfield, OR and grew up in Eugene, OR. She shares her home with her boyfriend, Blake, and their two dogs - Paco and Roxi. She also shared with us that she has an “amazing” mother and an older brother. Chelsea enjoys spending time with her family and friends and likes meeting new people.

Chelsea has been a part of the EHL community since August 2015. She works as Direct Care Staff for the Cascade Home. When asked why she likes working at EHL, Chelsea replied, “I love working here because I genuinely love helping people. It has been such a great experience sharing my time with such amazing residents and getting to know each one of them on a personal level.”

Chelsea's Words of Wisdom: “I didn’t know what I wanted to do, but I always knew the person I wanted to be.”--Diane Von Furstenberg

Thank you, Chelsea, for your hard work, your dedication, and for being a part of our EHL team!
