## EMPLOYEE SPOTLIGHT

### Amanda @ Health Center

We are pleased to announce that Amanda is our February, 2016 Employee of the Month!

Amanda was born in Queen City, Texas, and grew up in Springfield, Oregon. She is the proud mother of two kids and their favorite activity is do-it-yourself crafts. Amanda says she'd live in Hobby Lobby if she could get away with it!

Amanda has been a part of the EHL community since August, 2008. She works as a Shift Supervisor. When asked why she likes working at EHL, Amanda replied, "I enjoy the residents and the people I work with. There is never a dull moment!"

*Words of Wisdom:* "The only person you should be better than is the person you were yesterday."

*Thank you, Amanda, for your hard work, your dedication, and for being a part of our EHL team!*

## In Remembrance

When someone you love becomes a *memory*,  
the memory becomes a *treasure*.

*Virginia Moore* came to EHL in March of 2010. GNP/ Medical Director Liz stated, "Virginia was fiercely independent with an incredible spirit and drive. She will be missed by everyone at EHL." She passed away at the age of 91. We will treasure the time we spent with her.

*Imogene "Ima" Johnson* came to EHL in July of 2009. Resident Coordinator Melanie stated, "Ima loved her Oregon Ducks football and loved all the time her family spent with her at EHL." She passed away at the age of 84 and we will greatly miss her presence at EHL.

*Edward "Mark" Dunker* came to EHL in January of 2013. Amber, HR Coordinator in our main office, shared with us that, "Mark was a sweet man. He always had a smile in his eyes." Mark passed away at the age of 79. We will truly miss him.
