Recipe Book

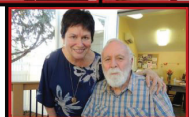

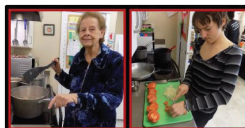

Introduction

At ElderHealth & Living, we value mealtime. We believe that coming together to share a meal fosters a sense of family and community. We are committed to serving nutritious and tasteful meals, as well as directly supporting our local economy through purchasing fresh and locally grown food.

This book presents a collection of our favorite meals. Many are a healthy twist on classic favorites that our residents grew up with. Most of our recipes require only a few ingredients and are quick to prepare.

We encourage staff and family members to share a meal with us. And we hope that these recipes find their way into your own kitchens at home.

Welcome to our home and the EHL family. Bon appétit!

In Remembrance

Marjorie "Marje" Lunceford came to EHL in February of 2012. Kassie, Resident Coordinator in our Mt. Hood Home, commented that "Marjorie was a beautiful soul. She was always the mother hen of our home. She loved to take care of everyone (even the dog) and everybody loved her." She passed away at the age of 91. She will be greatly missed.

Dorothy "Frances" Krumdieck came to EHL in November of 2009. Shift Supervisor Evette stated, "Frances will always hold a special place in our hearts and she will be remembered for her singing and the way she used to arrange the flowers inside and outside our Aspen Home." She passed away at the age of 83.

Dolores "Dee" Elliott came to EHL in November of 2012. Jackie, Resident Coordinator in our Redwood Home, states "Dee's daughter recently shared with us that Dee loved horses and went riding a few years back and just loved it. She was a tough gal that was loved by all the staff." Dee passed away at the age of 92. She will be missed deeply.
