## EMPLOYEE SPOTLIGHT Ryan @ Maintenance

Ryan was born and grew up in Springfield. When asked about his family, Ryan shared that he is “married to his best friend and the love of his life, Amber, and they have three wonderful kids.” He also has a brother and a sister. In his spare time, Ryan loves to be with family. He also enjoys sports and the outdoors.

Ryan has been a part of the EHL community since May 2017. He is one of our Maintenance Workers and helps to keep our campus running smoothly. When asked why he likes working at EHL, Ryan replied, “I love it when I get to work with the residents and I love fixing things around our community.”

### *Ryan's Words of Wisdom:*

**Thank you, Ryan, for your hard work, your dedication, and for being a part of our EHL team!**

We are pleased to announce that Ryan is our October 2017 Employee of the Month!

## Harvest of the Month

The Harvest of the Month for **October** is Apples from Detering Orchards in Harrisburg, OR.

Detering Orchards is a family-owned farm in the heart of the Willamette Valley, perhaps best known for growing over thirty varieties of apples that ripen starting in June and on through the middle of November. They have a farm stand and offer u-pick. We are proud to be supporting our local farms!
