EMPLOYEE SPOTLIGHT

Destiny @ Willow Home

Destiny was born in Cottage Grove, Oregon and grew up in Willow Creek, California and here in Springfield, Oregon. She is a very proud mother to four children - her twins Christopher and Cloe and two stepdaughters, Hailey and Mikayla. Her family also includes her fiancé Michael and a cat named Milo. Destiny loves the outdoors - when not working, she enjoys fishing, hunting, and camping with her family.

Destiny has been a part of the EHL community since May 2013. She is currently the Resident Coordinator of our Willow Home. When asked why she likes working at EHL, Destiny replied, "I love being able to always make someone's day better. I love working with the staff here at EHL."

Destiny's Words of Wisdom:

"Our greatest weakness lies in giving up." --Thomas A. Edison

Thank you, Destiny, for your hard work, your dedication, and for being a part of our EHL team!
