EMPLOYEE SPOTLIGHT

Trina @ Main Office

We are pleased to announce that Trina is our November 2018 Employee of the Month!

Trina was born in Torrance, California and spent the majority of her life in different areas of California until moving to Oregon earlier this year. She is the proud mother of three - daughter Brianna (29) and two sons, Bryce (18) and Cade (15) - and grandmother to Hailee, who is 7. Her "other children" currently include a Lab/Pit mix dog named Rex and a kitty named Zen. Trina shared with us that she "loves books, hiking, nature, deep conversation, spending time with her family, and cooking!"

Trina has been a part of the EHL community since June 2018. She works as an Administrative Assistant in our main office. When asked why she likes working at EHL, Trina replied, "I love being part of a group of people who share my passion for compassion and kindness. I love being able to engage and share this with my peers!"

Trina's Words of Wisdom: "Whenever possible, be kind - and it is always possible!"

Thank you, Trina, for your hard work, your dedication, and for being a part of our EHL team!

In Remembrance

Ana Ortiz

Ana came to EHL in September of 2018. Amee, our EHL Administrator, shared with us that, "Although Ana was only with us for a short time, we were truly honored to meet her and care for her." Ana passed away at the age of 89.

Annie "Arlene" Whistler

Arlene came to EHL in April of 2009. Susie, Family Services Coordinator, shared that, "Arlene was a member of the EHL family for a very long time. She will truly be missed. Thank you to the Aspen team for your love and care of Arlene and her family." Arlene passed away at the age of 89. She is pictured here with her son Wally.

Happy Anniversary! John & Mary!

Happy 68th Anniversary to our lovely couple, John & Mary! John and Mary got married in 1950. They met at a dance while John was in the Navy in World War II and Mary was a young lady in high school. Shortly after their wedding, they moved to San Francisco and began their lives together. They had three children, Ruthie, Johnny, and Diane. John worked in airplane manufacturing after the war and also worked for a telephone company. Mary was mainly a stay-at-home mom and enjoyed writing books and belly dancing. John and Mary did so much together but their favorite hobbies were bicycling, motorcycling, and sailing. They eventually moved back home to Oregon. **John and Mary's love is one of a kind and their strong love is still so obvious to this day.**
