## EMPLOYEE SPOTLIGHT

### Terry @ Maintenance Dept.

Terry was born in Wheatridge, Colorado and grew up in Blackhawk, Colorado. He shared with us that his father is a chef at the Newport Aquarium and his mother, who is fighting cancer, is the sweetest lady. We wish Terry's mother and his entire family love and support during her battle. His family also consists of four sisters, his girlfriend Maddie, and his black cat, Lincoln. In his spare time, Terry plays lead/rhythm guitar, enjoys science, and the outdoors!

Terry has been a part of the EHL community since June 2018. He works as a Maintenance Worker for our Maintenance Department. When asked why he likes working at EHL, Terry replied, "There is plenty of kind people and it's a job that enables me to help others." Terry is known around the village for his wonderful and friendly personality.

*Terry's Words of Wisdom:*

"Just because that's the way it is, doesn't always mean that's how it's got to be!"

Thank you, Terry, for your hard work, your dedication, and for being a part of our EHL team!

## In Remembrance

### Clara Demelt

Clara came to EHL in April of 2017. Destiny, an EHL Resident Coordinator, shared with us, "Clara had a big heart, and would help anyone who needed it. She loved humor and liked to joke around with staff." Clara passed away at the age of 82. She will be missed greatly.

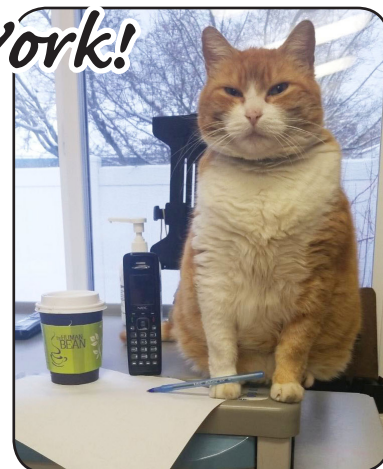

### Pauline Hadden

Pauline came to EHL in January of 2019. Amee, our EHL Administrator, shared that, "Although Pauline was here only for a short time, we were truly blessed to meet her and care for her." Pauline passed away at the age of 82. We will miss her.

## Hard At Work!

Fanta the cat lives in our Aspen Home but can often be seen all over on our campus, either visiting the main office or just roaming in the parking lot. As you can see in this picture, he also does the occasional office work.

We love our furry family members here at EHL!
