EMPLOYEE SPOTLIGHT

Cody @ Recreation/Aspen Home

We are pleased to announce that Cody is our September 2019 Employee of the Month!

Cody & Daysha

Cody was born in Eugene and grew up in the Thurston/Springfield area. He has three sisters and is the very proud pet parent of his sweet dog, Daysha, pictured here with him. Cody loves to spend his free time hiking, swimming, dancing, and spending time with close friends. He believes in living his life to the fullest! Cody describes life as "all around a beautiful ray of sunshine."

Cody has been a part of the EHL community since June 2017. He currently shares his time between the Recreation Department and working as Direct Care Staff at our Aspen Home. When asked why he likes working at EHL, Cody replied, "It feels like home here - one big family." He also said he is so grateful to be a part of EHL.

Cody's Many Words of Wisdom:

"Be a unicorn in a field of horses."

"Don't let anyone dull your spark."

"I've never seen a smiling face that was not beautiful."

Thank you, Cody, for your hard work and your dedication! And your wonderful sense of style!
