MONTHLY NEWSLETTER

www.EHLMemoryVillage.com

November is the month for giving thanks, and we have so much to be thankful for. We are thankful for our residents who call our village their home, and for all their friends and families who visit us here. And we are also thankful for all our employees who keep things running here at EHL, and who help us to share joy and compassion.

Have you ever wanted to express your thanks to a staff member you see going above and beyond here in the village? If so, stop by the front desk and fill out a note! These notes get added to our front door at the main office. Each month, the notes are taken down and one of the recognized staff will be selected for our Employee of the Month. The format of the notes change with each month - the theme last month was for two of our major events in the fall, the Classic Car Show and the Spaghetti Feed! And as you can see by our photo collage below, we have some pretty amazing employees!

EMPLOYEE SPOTLIGHT

David @ Health Center

We are pleased to announce that David is our November 2019 Employee of the Month!

David was born in Flagstaff, Arizona and grew up in Arizona, New Mexico, and Oklahoma. He has an 11-year old daughter. David shares with us that, "She's such a great kid and I'm so lucky to have her in my life. She's intelligent, athletic, and quite the comedian." During his free time, he reports being an avid travel junkie. "I've been in sixteen countries, but one of my favorite destinations is in our own backyard -- the Oregon Coast!"

David joined EHL in August of 2010 and currently works as a Health Services Coordinator/LPN in our Health Center. When asked why he likes working at EHL, David replied, "When working with our population of people, you have to be completely present in the moment with them. I really enjoy that."

David's Words of Wisdom:

"Everybody is a genius. But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid."

Thank you, David, for your hard work and your dedication!
