## We our employees!!

For the month of May, we couldn't decide on just one Employee of the Month, so we decided to celebrate ALL of our employees! Represented in the heart below are all of our 109 EHL employees, and we honor them this month (and always) for all the love, joy, and compassion they share with our residents every day.

"Caring for our residents and keeping life as usual for them is so important and something only our staff can do. It warms me to see this gift being given freely by our dedicated, amazing, and wonderful staff. Thank you all so much!"

- Nancy Koll

"Our staff at EHL are rock stars. They are the kind people giving hands on care, touching, and loving our peeps who are not having physical contact with family members. Thanks for being here for each of our residents and creating a home every day."

- Liz von Wellsheim

## In Remembrance

### Ranee "Ronnie" Kirchner

Ronnie came to EHL in August of 2018. Isabel, Resident Coordinator of our Birch Home, shared that, "She was the perfect combination of sweetness and then feisty as can be. She was one of the best storytellers and had the best expressions, especially her classic eye rolling! She is missed dearly." Ronnie passed away at the age of 82.

### Patricia "Pat" Bowie

Pat came to EHL in February of 2020. Kayla, Resident Coordinator of our Mt. Hood Home, told us, "For the short time she was here with us, we will all remember how sweet and kind Pat was. She had a beautiful smile and she will be dearly missed." Pat passed away at the age of 96.

### Oclytis "OJ" Johnson

OJ came to EHL in October of 2018. Ambrynn, Resident Coordinator of our Redwood Home, shared with us, "OJ was such a kind and gentle man that loved to make people smile. His stories and dancing will be missed, but mostly I will miss how he would join in with me on a song and sing his heart out." OJ passed away at the age of 81.

## Support Groups

**Support Groups** are cancelled until further notice, as ordered by the State of Oregon. While it breaks our heart to mandate such restrictions and cancellations, we do this for the ultimate protection of our beloved residents.
