# ★ ★ EHL Staff Training ★ ★

At EHL, we take training of our employees very seriously! Not only is it required by the State of Oregon for Residential Care Facilities, but we want to ensure the people who are taking care of your loved ones here are doing so with hearts full of compassion and their minds trained for the highest level of care. From the very first day a new hire onboards with our HR Department, staff are receiving training customized by EHL and being taught by our own leadership team. Check out the below photos, which give you a sneak peek into the EHL training program! (PS - some of these photos were taken "pre-COVID-19", in case you notice the lack of face masks.) 🧐

**Liz teaching medication administration.**

**Dave and Molly teaching transfer skills.**

**Alayna discussing HIPAA.**

**Liz role playing with staff.**

**Dave teaching how to "don" and "doff" personal protective equipment (PPE).**

## EMPLOYEE SPOTLIGHT

Jason @ Redwood Home

We are pleased to announce that Jason is our June 2020 Employee of the Month!

Jason was born in Auburn, Washington, and grew up in Reedley, California before settling in Oregon. When asked about his family, Jason commented that, "My family and I are happy, caring, and fun-loving people." His family consists of two brothers, one sister, nine children, and five grandchildren! **Wow!** He also stated, "Yes, I have a lady and she has animals." 🐾

Jason joined EHL in January of 2020 and currently works as Direct Care Staff in our Redwood Home. When asked why Jason likes working here, he replied, "I like to be able to give back to the ones that have given us so much. I have been down enough roads that I can see this will be a beautiful experience. Thank you everyone for making this a pleasure." We are so happy to have Jason on our team. His smile and sunny personality bring joy to so many in our village.

### Jason's Words of Wisdom:

"We are only as good as the people standing next to us!"

**Thank you, Jason, for your hard work and your dedication!**

# Stay Connected!

Thank you for your patience while we figure out the best way to get you connected with your loved ones during this difficult time. We now have one designated person who can help schedule virtual or window visits for our village. You may contact **Destiny Owens**, our Recreation Coordinator, by calling our main office at **541-747-4858**. You may also email her at: [dowens@elderhealthandliving.com](mailto:dowens@elderhealthandliving.com). We can arrange for a virtual visit using FaceTime, Zoom, or GoogleDuo.

## In Remembrance

### Shirley Froyd

Shirley came to EHL in January of 2020. Danielle, Resident Coordinator of our Mt. Vernon Home, shared that, "Shirley was such a fighter from day one. Her smile would light up a room. She would always tell me that she loved my hugs. She always wanted to ask you how your day was and just wanted to get a smile out of everyone. She would love to talk about her son Eric and her beautiful paintings on the wall. She sure was one of a kind and we will miss that smile every day." Shirley passed away at the age of 93.

## Support Groups

**Support Groups** are cancelled until further notice, as ordered by the State of Oregon. While it breaks our heart to mandate such restrictions and cancellations, we do this for the ultimate protection of our beloved residents.
