Summer of

The summer of 2021 has been a rollercoaster for our Village. We were so excited to welcome family and friends back to visit. We were thrilled to start planning recreation activities again. And then, as of the writing of this newsletter, we are back under Executive Order due to COVID-19 exposure. Things are back to being really tough again and we are sad for our whole community. However, there were some really wonderful and joyful moments during this summer, which is why we are captioning the below collage of photos as the "Summer of Love". Enjoy!

In Remembrance

Liane Jennings

Liane came to EHL in July of 2017. Ambrynn, our Resident Coordinator at the Redwood Home, shared with us that, "Liane always had an energy of her own. She had an amazing smile and gave good hugs. Many times we would spend howling like wolves and seeing how many different accents we could do - Southern was her best!" We will miss her very much. Liane passed away at the age of 71.

Barbara Irwine

Barbara came to EHL in October of 2019. Isabel, our Resident Coordinator at Birch, told us, "The Birch home will miss Barb sitting there with her beanie on and the biggest smile. Although she did not talk much, she had the best sound effects and a great sense of humor. She brought so much joy to us all. She was a talented artist and some of my best memories are sitting with her in her room that was decorated with all her beautiful artwork. She will be remembered for her love of art and music." Barbara passed away at the age of 78.

Warren Weathers

Warren came to EHL in December of 2020. Callie, our Lead Direct Care Staff at the Mt. Hood Home, told us that, "Warren was a very sweet man with a contagious smile. He always loved helping fix and repair things around the home. He was a man of few words but his kindness and sweet heart filled the room with so much joy. He will be greatly missed." Warren passed away at the age of 74.

Sandra Wright

Sandra came to EHL in June of 2021. Heather, our Resident Coordinator at Cedar, shared these kind words, "Although our time with Sandra was short, her impact was large. She had a great sense of humor and a beautiful smile. She was an avid reader and very generous with her many books - she was quick to offer to loan them out. Sandra will be dearly missed at the Cedar home." Sandra passed away at the age of 82.
