Joyful Views

We were recently contacted by a local artist, Johnnie LaRue, who offered to paint our windows. She reached out to us via email with the below note and we were very excited to accept her offer. Check out her artwork below. The window paintings have brought much joy to our residents, staff, and visitors.

I'm writing about painting the windows at your facility, to cheer up the atmosphere for residents and families. It also creates a new, enjoyable scenery for residents, especially if they are unable to leave their rooms.

--Johnnie LaRue

In Remembrance

Ronald May

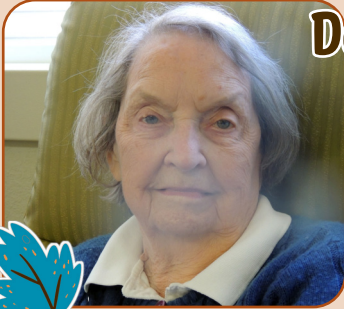

Ron came to EHL in January of 2018. Heather, Resident Coordinator of the Cascade Home, shared with us, "Ron was a loving husband to his wife Bobbi. They enjoyed spending time together listening to music and going for walks in the park. Ron had the best laugh and his cheer always made everyone around him smile. He was a wonderful person who will be missed." Ron passed away at the age of 79.

Mervyn Witt

Merv came to EHL in April of 2020. Staff in our Diamond Peak home were kind enough to share the following with us. "Merv was a quiet and gentle giant of a man. He was full of smiles and kindness. The fellow residents and staff at Diamond Peak are going to miss him greatly." Merv passed away at the age of 85.

Doris Bumgardner

Doris came to EHL in July of 2020. Staff in our Redwood Home told us, "Doris was such a warm, happy, spunky, and independent woman. She loved having fun and clapping along with staff when telling jokes and dancing. She loved coffee and sweets. We loved her so much and miss her dearly." Doris passed away at the age of 98.

Happy Halloween from EHL!
