COVID Vaccination Update

We are happy to announce that EHL has been successful in implementing the governor's directive to have all persons working in health care settings and having close contact with residents vaccinated. This mandate adds to our infectious disease prevention strategies already in place: Having separate homes to quarantine easily, meticulous oversight of handwashing, masks, screening visitors, daily evaluations of all residents, and intensive cleaning. We did lose some residents early on in the pandemic, before vaccinations were available, and we hope to never have to say goodbye to five residents within a very short time ever again. Thank you for all bearing with us through this process and hopefully we will see the end of this pandemic soon.

Cera, RC at Diamond Peak: This is my dog River and I'm so thankful for her goofy self. She always knows how to make me smile.

Amber, Assistant Administrator: I am thankful for my family and my fur babies.

Nicole, Direct Care Staff: I am thankful for my boyfriend because of everything he does for me.

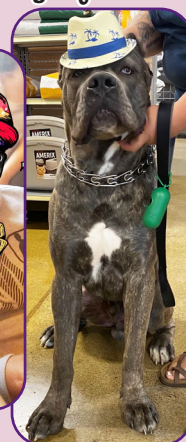

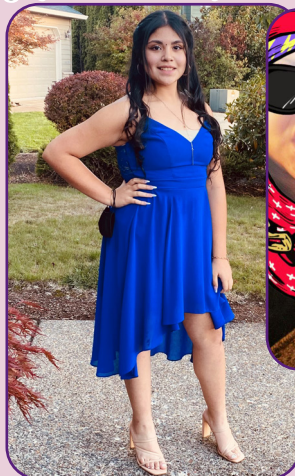

Molly, Health Services Coordinator: I am very thankful for my family.

Dawn, Family Nurse Practitioner: I am thankful for family and friends.

Vanessa, Staffing Coordinator: I am thankful for my daughter, even though she makes me want to pull my hair out, I couldn't live without her. She is my WHY every single day. I am very thankful for my husband. And I'm thankful for this "itty-bitty" dog. He makes me smile every day and fills my life with joy (and slobber)!

Trea, Shift Supervisor: This is Macy and she is one of the things I'm most thankful for. I am also grateful for my family.

In Remembrance

Lynda Patterson

Lynda came to EHL in November of 2015. Kayla, Resident Coordinator of the Mt. Hood Home, shared with us, "Lynda accepted us staff as her children and loved for us to call her Momma. We will truly miss our house Momma, her cuddles, smiles, and hugs." Lynda passed away at the age of 78.

Barbara Davey

Barbara came to EHL in July of 2019. Heather, Resident Coordinator of our Cedar Home, shared the following with us. "Barbara was a very sweet and caring woman. She enjoyed talking about being in the military like her brothers and being a nurse who spent most of her career helping to deliver babies. She had a wonderful smile, a great laugh, and brought joy to those around her. She will be missed by all of us." Barbara passed away at the age of 80.

John "Leo" Steinmetz

Leo came to EHL in August of 2021. Isabel, Resident Coordinator of our Birch Home, shared with us, "Leo had a great big family and lots of grandkids. He was just about to celebrate his 61st wedding anniversary. Even though he wasn't with us long, we will miss him and his great storytelling." Leo passed away at the age of 85.

Theodore "Ted" Johnson

Ted came to EHL in February of 2021. Chelsea, Resident Coordinator of our Mt. Vernon Home, told us, "Ted was a very sweet and gentle soul. He always loved talking to us about his time as a firefighter. We will miss his kindness greatly!" Ted passed away at the age of 67.

Marianne's Memo

Marianne, HR Coordinator: On the work side, I am thankful for our wonderful residents, who bring joy to us all each and every day. I am thankful for our hard working employees, the ones who show up every day and put all their heart in their work, whether it be caregiving, answering our phones, nursing, or keeping the village clean. We wouldn't be the wonderful place we are without all of you!

On the personal side, I am thankful for my husband, who makes me laugh every day. I am thankful for our dogs and cats, who are a combination of joy and trouble. I am thankful I get to live on the same farm I grew up on, right next door to my parents. And I'm always, always, always thankful for my loving and fun family.
