Celebrating Our Dads

Our Recreation Team delivered Father's Day cards and treats for the fathers here at ElderHealth & Living Memory Village. We love getting to share these special occasions with you!

Painting birdhouses!

We have several bird houses hanging around the village with little bird families living in them. Residents and staff love seeing the baby birds sticking their heads out when momma comes with dinner. These bright, beautifully painted houses will make great additions to our village.

WELCOME

to our Village!!

Karolina likes history, word puzzles, and joke books. She enjoys garage sales and antiques, and she LOVES dogs!

ElderHealth & Living's Support Group

A small group of caring people, sharing a similar journey.

We are so grateful you and your loved ones are part of our community and family here at EHL. We know transition is not easy. Many of you were cast into the role of caretaker and were well tuned in with your loved one's needs and desires long before we were. Our support groups are an excellent opportunity to voice your needs, triumphs, struggles, and questions. All we ask is that you come as you are. All the sessions are free to attend.

In Remembrance

Richard "Dick" Geisler

Dick had a witty humor and he always loved joking around. He had a amazing and beautiful smile. He always loved hugs. He will truly be missed.

John "Bill" Isham

Bill was a man of few words with a gentle soul and a smile that always lit up a room. His daily jokes, laughter, and warm hugs are going to be greatly missed.

In Loving Memory

In June, we said a sad goodbye to a part of our EHL family: Hank, our dog at Mt. Vernon, passed away. He will be missed so much.

Marianne's Memo:

It doesn't take much to make a difference in someone's day. A smile or a small gesture of kindness could be the one thing that lifts someone's spirit today.
