## Fun on the 4th of July!

We celebrated the 4th of July in style at EHL!

Admin & Health Center peeps who dressed up for the holiday!

# Sing-A-Long Time!

We got out to the park for a ukulele sing-a-long. It was beautiful and sounded like a beachside vacation.

I ♥ Ukulele!

# Water Battle!

Our village park, the very same park that just the day before hosted a pleasant sing-a-long, turned into a battlefield the next day. During our monthly Resident Coordinator meeting, there was trouble brewing and preparations being made for an epic battle. Some of our Health Center, Maintenance, Admin, and Resident Coordinators ascended on the serene setting with malicious intent. Too much fun was had!

## Scenic Van Rides

We are excited to be having scenic van rides again. Recently, we saw a menagerie of animals on our ride... Deer, quail, mini-donkeys, horses, and cows!

Can you spot the deer in  
the creek?

# In Remembrance

**Joseph "Joe" Alsup**

Joe had a great sense of humor and loved to joke with everyone he met. He loved disco music and being the life of the party. This photo of Joe with Terry from Maintenance and Carly the dog is one of our favorites!

**Nancy Steel**

Nancy was the most upbeat and fun loving person. She did not have a mean bone in her body. She was full of love and laughs. She was known in Aspen for her Hawaiian shirts and loved dressing up for holidays, especially Halloween!

**Paul "Doug" Schoen**

Doug was such a kind and gentle man. He had the best smile and always was laughing with every conversation. He was a big jokester and loved the really corny jokes! He loved all the animals at EHL and loved music.

**Leona Maricle**

Leona was such a bright person to be around. Her smile and giggles filled the room. She will be missed puttering around the Mt. Hood Home and telling staff the funniest things. She was always getting into mischief!

*The world changes from  
year to year. Our lives  
from day to day. But the  
love and memory of you  
shall never pass away.*

**Bernard "Bernie" Barcellos**

Bernie had a great sense of humor. He was always smiling and laughing with other residents and staff. He will be truly missed in the Mt. Hood Home.

Our Aspen Home got into the Aloha spirit recently. They held a celebration of life for Nancy Steel, our long-time resident who was known for her love of wearing Hawaiian shirts. Everyone got into the spirit of celebrating Nancy and a fun time was had by all.

## Marianne's Memo:

It is easy to get bogged down by the ups and downs of life. I think it is important to remember to have fun and take joy in the little things. I like to add color to everything around me and love watching funny animal videos.

What do you like to do to bring a smile to your face? Send me an email and include a photo if you'd like to be included in an upcoming newsletter! Marianne at [mcarothers@elderhealthandliving.com](mailto:mcarothers@elderhealthandliving.com).
