ElderHealth & Living's Support Group

A small group of caring people, sharing a similar journey.

We are so grateful you and your loved ones are part of our community and family here at EHL. We know transition is not easy. Many of you were cast into the role of caretaker and were well tuned in with your loved one's needs and desires long before we were. Our support groups are an excellent opportunity to voice your needs, triumphs, struggles, and questions. All we ask is that you come as you are. All the sessions are free to attend.

In Remembrance

John "Jack" Fleming

Jack always had a smile on his face and his jokes would have everyone laughing. He loved his helicopters and talking about them. He really liked to bake for the house.

Charmayne "Char" Schneider

Char had a wonderful sense of humor. She was always making jokes with staff and the other residents that had everyone just cracking up. She had a smile that could just light up the room.

Mary Wenska

Mary was such a very sweet lady. She would tell everyone how much she loved them and could make you feel very special with her hugs. She was a bright light wherever she was.

"Wherever a beautiful soul has been there is a trail of beautiful memories."

Rudy MonDragon

Rudy was a very kind and funny man. He also was a very gentle soul. He was always joking with staff and making them smile. We will all miss his sweet whistles and big smile.
