4th of July Fun!

We had so much fun celebrating the 4th of July at EHL! Our BBQ in the Park was a huge success.

A big shoutout to all our staff who made the BBQ possible! *Thank you* ❤️

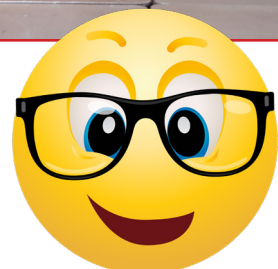

Gardening Club

We painted pots then added soil and seeds with our Gardening Club. The best part was telling old stories and laughing!

TRIVIA

Brain games are excellent for cognitive stimulation. Our recreation team riled up our residents with a competitive game of trivia!

WELCOME to our Village!!

We are excited to welcome these new residents!

Howard Mattoon

When Howard was younger, he served in the US Navy. He also enjoyed many outdoor activities including fishing, hunting, and camping. He is caring, outgoing, and has a great sense of humor!

Jurema Fraga

Jurema was born in Rio De Janeiro, Brazil and she speaks Portuguese. She is very sweet and quiet, but when she is talking, she is always laughing. Some of the things she enjoys is listening to Elvis and watching Disney movies.

Sue Trebes

Sue used to live in California and grew up in Hollywood. She was an insurance agent for over 25 years. She loves listening to Frank Sinatra, reading People magazine, and doing her makeup. One of her favorite memories is going on family vacations.

Robert "Bob" Fravel

Bob is a very active and energetic guy who enjoys hanging out with staff. He is sweet, helpful, and has a good sense of humor. He values being a hard worker from his days spent on a farm. One thing about him is he sure loves coffee and would drink 10 cups a day if he could!

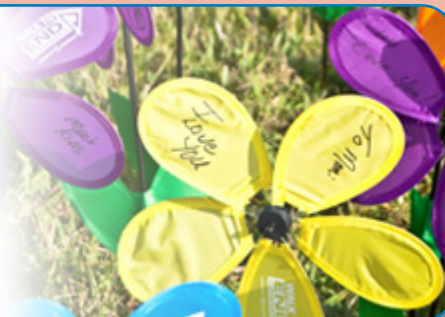

Mary "Jackie" Foster

Jackie attended college to be a dental hygienist. She is also very proud of being a long-time foster parent. She is caring, kind, and generous with others. She enjoys hanging out with staff and loves visiting with family.

Insurance Cards

We are asking that families make sure to bring in the newest insurance cards for our residents so we can make a copy for our records. The United Healthcare program will no longer be providing us with that information so we are going to rely on families to bring them in.

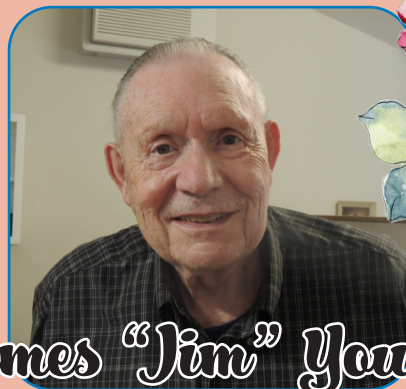

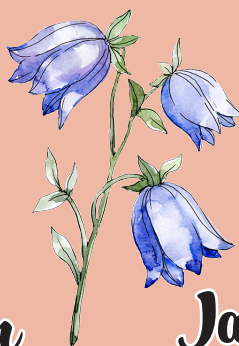

In Remembrance

Helen Farrington

Helen was always very happy and cheerful. She loved dancing to music and greeting people all over campus with her big smile. She was full of life and she was always the life of the party. We could always count on her to make our days better.

James "Jim" Young

Jim was always willing to listen to his housemates and be there for others. He had a very sweet smile and the warmest hugs that could cheer up anyone. Jim and his hugs will be missed so much.
