A Special Visit!

We had the best surprise on St. Patrick's Day this year! The little brother of our staff member Makaylin got all dressed up as a Leprechaun and brought some joy for our residents... and gold! Makaylin told us, "His name is Everett and he is eight years old! Some of the residents found him very easy to spot with his bright red hair and his chocolate gold coins! This is his second year being a leprechaun with his first time around other people being on Halloween, giving out gold coins to the other kids."

Birthday Fun!

Our LPN Molly's grandma Mable lives here at EHL. She said, "It was her 94th Birthday! She loved all the attention and her pies and homemade chicken and noodles that my aunt made her."

The Redwood Home had three birthdays recently. Our Resident Coordinator of the home, Nicole, shared these wonderful photos with us. She said, "They all were super happy with the cake and gifts that staff brought in for them. We asked them what they wanted for their birthday and they requested cake. So they got exactly that plus extra goodies. They all had big smiles on their faces."

Leone turned 85 and she had a strawberry short cake!

Maria turned 83 and she had a vanilla cake with Bavarian filling!

Mary turned 89 and she had a chocolate cake with butter cream filling!

WELCOME to our Village!

We are excited to welcome these new residents!

We are excited to announce that Marianne Carothers is our employee of the month for April! ★

Marianne is the HR Coordinator based in our main office and has been with EHL since April of 2015. Check out what she shared with us below!

Congratulations, Marianne! We love having you here in our Village!

In her own words:

"As the HR Coordinator, I am responsible for payroll and benefits at EHL, along with a lot of other things - including pulling together the newsletter each month. But my favorite part of the job, hands down, is when we have residents stop by the front office for candy or to say hello to the office staff. Getting to see them just brightens my day and reminds me why we are all here - to bring joy, comfort, and happiness to our loved residents. In my spare time, I enjoy going for hikes with my husband Ryan and our dog Daisy. I love spending time at home, because home for me is living on my family's cattle ranch, in a little house right next door to my parents. Family is everything to me and it brings me so much happiness to live on the farm I grew up on and to be so close to my parents. In my spare time, you also might find me mooing-ving cattle on a four-wheeler or driving a tractor during hay season. I love my life!" -- ♥ Marianne
