Summer Carnival!

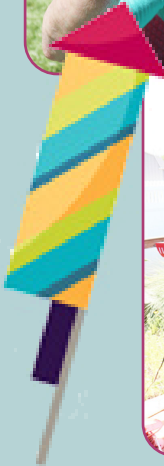

We held a Summer Carnival in The Park and it was a huge success with our residents. Here is what Brittany Imes, our Recreation Coordinator, had to share about it:

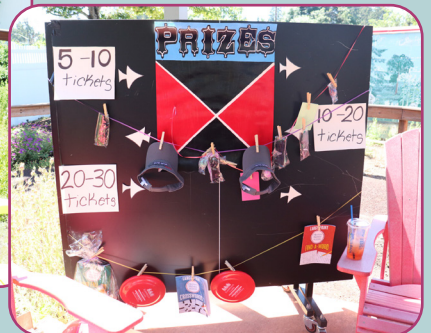

"The tattoo booth was a hit! I think this is hilarious because I thought they wouldn't like it. They also really loved the concessions (sno cones, popcorn, and cotton candy). I would love to give a shoutout for all the staff working together to help with it, the volunteers who helped run booths, and the staff who helped bring residents over." ❤️

Matching tattoos!
